

THE HOUSE OF

MBJ
SINCE 1897

TRADITIONALLY MODERN

The House of MBj,

a brand synonymous with luxury, is a premier Indian jewellery brand with a presence of over a century. Trusted across India and around the world as torchbearers of the royal standards of Ratangarh in Churu, Rajasthan and combining it with the best tradition of jewellery craftsmanship of Bengal, The House of MBj has been ensuring quality and novelty through seven generations.

Since 1897, The House of MBj has upheld its vision of the highest standards of craftsmanship, with consistent quality, customer relations, and custom design being the hallmark of the brand. The House of MBj has earned its reputation through the gift of knowledge and design aesthetics passed down through generations, their willingness to make the process inclusive and empower the ecosystem to support businesses, in a responsible and sustainable manner. What also sets MBj apart is its unwavering promise towards maintaining world-class quality standards along with its versatile designs that are a harmonious marriage between tradition and modernity.
