BRIDAL EDIT 2023

The House of MBj presents the most exclusive Bridal jewellery collection 'Parinay' which is a fusion of beauty, brilliance and royalty. These are handcrafted pieces that are a culmination of elegance and sophistication. A bride's wedding day is a moment of absolute perfection, particularly for an Indian bride, who seeks to ensure that everything is immaculate. As she makes her grand entrance, she exudes breathtaking beauty, causing the world to stop and admire her. Adorned in the elegance and mystique of a nine-yard saree or a gorgeous lehenga, The House of MBj bride exudes poise and grace, resembling royalty. The Parinay ensemble enhances her stature, with grand polki diamond sets featuring impressive chokers, dazzling raanihars, and radiant kadas.

This traditional aristocrat pays tribute to ancestral values, as exemplified by the subdued yet exquisitely designed naths and maangtikas, elevating The House of MBj bride to reflect all she aspired to on her special day. At The House of MBj, we celebrate the modern and progressive bride with a unique and timeless collection of wedding jewelry 'Parinay' that reflects her vivacious spirit.
